Gentlemen:

Mr. Harold Gillingham of this city has asked me to send you a portrait medallion which I recently made of Dr. Leopold Stokowski, Leader of the Philadelphia Orchestra. I have asked Dr. Stokowski's permission to send this and I understand you wish this bas-relief for exhibition purposes.

I am preparing this plaque for shipment to you, which I trust will be satisfactory.

Very truly yours,

GHB:HC

Dear Sir:

Thank you for your letter of January 10th
with its word of the plaque of Dr. Stowowski which
you are sending for our Collection.

We appreciate your thought for us very much
indeed and shall be very glad to have this portrait
medallion.

I hope we may some day have the pleasure of
showing you our Museum and its collections.

Very respectfully yours,

Secretary
